SPECIAL EVENTS

42. National/Multi Cultural Troupes.
43. Mini Production Groups. 3-12 participants. 3-8 minutes.
44. Large Production Groups. 25 participants or more. 4-8 minutes.

Please Note

A \$5 additional fee applies to those wishing to dance in one solo and or duo event to be paid with entry form. Those participating in more than one solo and or duo event an additional \$10 fee applies to be paid with entry form.

Troupe Events will be divided into further age groups, entries permitting, one age group per section. Troupe time limit = 4 mins [combined rule covering small groups and troupes]. On and off the floor.

Teachers to send a copy of all troupe music with entries as music will be played off a computer. We would like music in order before the day to provide a smooth running competition.

Teachers to define carefully which category their groups and individuals fit into, to provide an "even playing field" for all. Also Jazz Dance is to be American Jazz Dance not Hip Hop.

All rules can be accessed on the IDO International website. www.IDO-online.org

Any props anyone sits or stands on in particular must be secure and stable and not on wheels.

Only events entered before the day with entries will be in the program. The organisers reserve the right to combine events should there be insufficient numbers.
